

COVID-19 Self-Screen

The health, wellness, and safety of the youth we serve is our top priority.

If you answer “yes” to any of the questions below, then please reschedule your volunteer activity:

Have you experienced any of the symptoms listed below in the past 48 hours?

- Fever or chills
- New or unexplained onset of cough, shortness of breath, or difficulty breathing?
- New or unexplained loss of taste and/or smell
- New or unexplained muscle aches

Are you isolating or quarantining because you tested positive for COVID-19 or worried you may be sick with COVID-19?

If you answer “yes” to the questions below, then please let The Relatives staff know. While it may not be necessary to reschedule your on-site volunteer activity, we may ask you to modify it.

Have you been in close physical contact with anyone who is known to have COVID-19 within the last 10 days?

Did you get a negative COVID-19 test result from a test taken at least 5 days after your last exposure to close contact?

The Relatives follows CDC guidance and pays close attention to outbreaks and new variants. You may be asked to have your temperature taken upon arrival at the Crisis or Resource Center.
