

Snack Packs, Socks & Underwear Sets, & Hygiene Kits

Fun size snacks, travel size toiletries, and socks & underwear sets can make a big impact at The Relatives. Snack Packs ensure young people struggling with housing insecurity have something to eat when they can't access the [On Ramp Resource Center](#). Hygiene Kits can help those without access to showers or laundry feel clean. While a Socks & Underwear Set can give housing-insecure young adults the dignity that comes from access to clean clothes.

Putting together Socks & Underwear Sets, Snack Packs or Hygiene Kits for the youth and young adults served by The Relatives is a meaningful and impactful group volunteer activity which can be done in your home, office, school, house of worship, or any gathering space.

Please see below for details on how small sized items can make a big impact in our community!

Mens and Women's Socks & Underwear Set

A Woman's Socks & Underwear Set should include two to four pairs of **new** adult-sized women's underwear, two to four pairs of **new** adult-sized socks, and two to four **new** bras in a Ziplock bag.
