

Breakfast with The Relatives

2025 Sponsorship Opportunities

October 21, 2025

Holy Trinity Greek Orthodox Cathedral

Supporting The Relatives through Corporate Sponsorship gives your business visibility, networking opportunities, and philanthropic affiliation with an organization that has kept children safe since 1974. The benefits outlined below can be customized to meet your corporate goals or strategic needs.

For over 50 years, The Relatives have been devoted to young people in crisis, the ones on the edge for whom no one else can seem to find an answer. Providing a safe place and an accepting environment, The Relatives seek to soothe the mind, body, and spirit and help youth experience a sense of well-being.

The Relatives build these youth up, reestablishing an all-important human connection. By nurturing each person's ability to participate in healthy relationships, helping them restore — or discover — their confidence, purpose, and value.

As a hub of resources, The Relatives help young people reach for an empowered future. We lead collaborative efforts to liberate the individual's unique identity and self-determination. The goal is for each client to grasp and embrace their place in the larger world as a contributing member of our community and becoming thriving adults.

With your help lives are changed, and our community is greatly enriched.
