Supporting The Relatives through Corporate Sponsorship gives your business visibility, networking opportunities, and philanthropic affiliation with an organization that has kept children safe and families together since 1974. The benefits in the sponsorship menu can be customized to meet your corporate goals or strategic needs.

We aim to be a Relative to the vulnerable youth and young adults in our community, by enabling them to achieve independence through comprehensive services tailored to their individualized needs, in a space where they feel loved, supported and accepted as their authentic selves.

Your generosity can help make our vision possible. To learn more, please call 704.501.8243
